

Apresentação

Interação Humano-Computador

Ementa

2

- Conceitos básicos de Interação Humano-Computador.
- Engenharia cognitiva e abordagens semióticas.
- Fatores humanos em software interativo: teorias, princípios e regras básicas.
- Ciclo de vida na Engenharia da Usabilidade.
- Estilos de interface.
- Projeto e prototipação de interface e interação para diversos dispositivos.
- Definição e métodos para avaliação de usabilidade e acessibilidade.

The screenshot shows the ACM Digital Library website. The browser address bar displays `dl.acm.org/conference/ihc/proceedings`. The website header includes the ACM Digital Library logo, the Association for Computing Machinery logo, and navigation links: [Browse](#), [About](#), [Sign in](#), and [Register](#). Below the header is a search bar labeled "Search ACM Digital Library" with a magnifying glass icon and a link to "Advanced Search". A secondary navigation bar contains links: [Journals](#), [Magazines](#), [Proceedings](#) (highlighted), [Books](#), [SIGs](#), and [More](#) (with a dropdown arrow). Below this is another set of links: [Conference](#), [Proceedings](#) (highlighted), [Upcoming Events](#), [Authors](#), [Affiliations](#), and [Award Winners](#). The main content area is titled "Browse Proceedings alphabetically" and shows a list of conferences under the letter "I". The first entry is "IHC: Brazilian Symposium on Human Factors in Computing Systems" with "16 Proceedings" listed next to it. Below this entry is a list of specific proceedings:

- IHC '20: Proceedings of the 19th Brazilian Symposium on Human Factors in Computing Systems
- IHC '19: Proceedings of the 18th Brazilian Symposium on Human Factors in Computing Systems
- IHC 2018: Proceedings of the 17th Brazilian Symposium on Human Factors in Computing Systems
- IHC 2017: Proceedings of the XVI Brazilian Symposium on Human Factors in Computing Systems
- IHC '16: Proceedings of the 15th Brazilian Symposium on Human Factors in Computing Systems

At the bottom left of the page, there is a "Feedback" button with a speech bubble icon.

The screenshot shows the ACM Digital Library website. The browser address bar displays `dl.acm.org/proceedings`. The site header includes the ACM Digital Library logo, the ACM Association for Computing Machinery logo, and navigation links for Browse, About, Sign in, and Register. A search bar is present with the text "Search ACM Digital Library" and a magnifying glass icon. Below the header, a navigation menu lists Journals, Magazines, Proceedings, Books, SIGs, and More. The "Proceedings" section is expanded, showing a list of conferences. The "CHI: Conference on Human Factors in Computing Systems" is highlighted, showing 48 Proceedings. A list of CHI conference proceedings from 2017 to 2021 is displayed. A "View All Proceedings" link is at the bottom left, and a "View Conference" link with a right arrow is at the bottom right. A feedback button is in the bottom left corner.
